

Stinson Managing Partner Named to Missouri Lawyers Media Law Firm Leaders List

Press Release

08.16.2024

Stinson LLP Managing Partner [Allison Murdock](#) is recognized on the Missouri Lawyers Media Top Managing Partners 2024 list.

The list is comprised of managing partners throughout the state who have helped their firms grow revenue, expand and maintain their talent base, sustain community involvement and pushed their firms to achieve important milestones and goals.

This is the second consecutive year Murdock has been selected for inclusion on the list, serving as a testament to her strategic leadership, dedication to exceptional client service and commitment to cultivating a culture of inclusion and excellence within the firm and legal profession. She is one of 20 managing partners in Missouri recognized on the list.

As managing partner, Murdock has ultimate responsibility for all aspects of the firm's operations and performance, including development and implementation of the firm's strategic initiatives. Her focus is on leading and growing a client-centric and community-engaged firm.

Murdock's commitment to the firm's attorneys and staff fosters a culture of professional and personal growth. She prioritizes diversity and inclusion and well-being initiatives and has helped to elevate the firm and its client service while also continuing its commitment to pro bono work. Murdock also prioritizes associate and staff development, underscoring her goal of cultivating the firm's next generation of high-performing attorneys and dedication to the success of all individuals at the firm.
